CITIZENS COUNCILS  
INTERNAL SECURITY - X

Although reports have been submitted to the Department on all citizens councils concerning which we have conducted investigations and inquiries to date, the Department has indicated the activities of these organizations do not fall within the purview of Executive Order 10450. In view of this fact, there is no basis upon which to base justification for further inquiry. Therefore, you are instructed to immediately discontinue inquiries concerning all citizens councils upon receipt of this letter. It is your responsibility to also immediately notify auxiliary offices of the discontinuance of the investigation.

In order that the Bureau may continue to carry out its responsibilities of keeping interested Government agencies informed of information of interest to them, you must continue your efforts to keep abreast of developments in order that the Bureau may be apprised of any situation which indicates a potential for violence. In obtaining information, however, absolutely no inquiries are to be made by you. You must secure the desired information through close scrutiny of the public press plus whatever information may be volunteered to you.

Letter to SAC, Atlanta  
Re: CITIZENS COUNCILS

With respect to the use of confidential informants, I want it clearly understood that no informant is to be given any assignment in connection with obtaining information regarding the activities of citizens councils without prior Bureau authority. If you have a confidential informant already reporting on citizens councils matters you may continue to accept information volunteered by the informant but you must not give him any additional assignments in this field. If you feel it is necessary for some specific reason to continue an informant in a particular citizens council you must immediately advise the Bureau, together with the identity of the informant, his reliability and your assurance that continued operation of the informant will not result in any embarrassment to the Bureau.

Each office receiving copies of this letter must submit to the Bureau a monthly summary of information concerning the activities of citizens councils in your respective territories. The first such letter is to be submitted to reach the Bureau by January 15, 1957, and each succeeding letter must be submitted to reach the Bureau by the fifteenth of each month. This summary, which shall consist of an original and seven copies, must be submitted in memorandum form suitable for dissemination and forwarded to the Bureau by cover letter. These summary memoranda and your cover letter must bear the caption "Citizens Councils, (name of field office)". Each of these summary memoranda must also be dated.

As in the past, information received concerning citizens councils which requires expeditious handling must not be delayed for inclusion in the monthly summary but must be furnished to the Bureau promptly by whatever means of communication is required by the nature of the information.

Letter to SAC, Atlanta  
Re: CITIZENS COUNCILS

This matter must receive your personal attention and it is your responsibility, insofar as is possible, to see to it that the Bureau will continue to be in a position to furnish pertinent information concerning potential violence to interested Government agencies.

With respect to the administrative handling of current cases, you should submit a closing report within 30 days from the date of this letter. This report should incorporate any information which has been obtained to date not previously reported. If there is very little information to be reported, you may at your discretion submit a closing letter. On the administrative page of the closing report or in the closing letter make reference to this letter in order that the administrative handling at the Seat of Government may be facilitated.

The fact that we are discontinuing our inquiries concerning citizens councils is not to be discussed or made known in any manner to anyone outside your own office. This includes your confidential informants.

The Citizens Councils in the Washington, D.C., area is located at 3204 M Street, N.W., and displays the name "Seaboard White Citizens Councils" on the entrance.

During the past month, December 10, 1956, to January 10, 1957, no activity of this organization in the Washington, D.C., area has come to the attention of this office.

Local press coverage has not made reference to the organization.

On Sunday, January 6, 1957, Edward R. Murrow, Television Commentator, produced an hour-long television show entitled "Clinton and the Law."

This production was advertised as an impartial inquiry into the recent conflict at Clinton, Tennessee, concerning integration. On this production, John Kasper, Executive Secretary of the Seaboard White Citizens Councils, as well as school officials, public officials and townspeople of Clinton, Tennessee, voiced their opinions on integration. D.C.

During his talk, Kasper made reference to the "hollow headed pumpkin in the White House." He did not refer to President Eisenhower by name.

Kasper also mentioned the Supreme Court of the United States and stated that it would be very difficult to impeach the justices of that court. He remarked that assassination would be easier.

CITIZENS COUNCILS  
Washington Field Office

The office for the Citizens Councils in the Washington, D. C., area is located at 3204 M Street, N. W., and displays the name "Seaboard White Citizens Councils" on the entrance.

"The Washington Post and Times Herald" newspaper dated March 10, 1957, Page C-8, Columns 4 and 5, identifies John Kasper as Executive Secretary of the Seaboard White Citizens Councils, Washington, D. C. This article reflects that Kasper had recently been in Florida and was subpoenaed to appear before the Florida State Legislative Investigating Committee at Tallahassee, Florida, on March 11, 1957, to answer questions regarding his activities in the State of Florida.

"The Washington Evening Star" newspaper for March 9, 1957, Page A-2, Column 2, identifies John Kasper as an anti-integrationist from Washington, D. C., and relates that he spoke before an audience of approximately two hundred people on March 8, 1957, at Miami, Florida. In his speech Kasper stated that segregationists would "maintain racial integrity, even at the point of a shotgun."

"The Washington Post and Times Herald," for February 25, 1957, Page A-8, Column 5, reflects that Fred B. Hockett, an associate of John Kasper and an official of the Seaboard Citizens Councils, was arrested with three other individuals by the Miami, Florida, Police on February 23, 1957, while attempting to erect a kerosene-soaked cross at the home of a Negro family living in a white district. Hockett was described as a now permanent resident in Miami. It is noted that just prior to going to Miami, Hockett, who was employed as a carpenter, had resided in the Washington, D. C., area, and was in Clinton, Tennessee, during the recent incidents there regarding the integration of public schools.

Re: CITIZENS COUNCILS

"The Washington Evening Star" dated March 12, 1957, Page A-18, related that Kasper appeared before the Florida Legislative Investigating Committee on March 11, 1957. Kasper testified he became a segregationist during a visit to Alabama in 1956. After listening to four hours of Kasper's testimony, Florida State Senator John Rawls accused him of being a "professional agitator using this as a means of a livelihood."

Fred B. Hockett also testified at this hearing that he had been an associate of Kasper's but was pulling out of the Seaboard White Citizens Councils. Hockett said Kasper had misrepresented "certain things" to him and stated he would have no further association with Kasper. Hockett indicated he had reference to Kasper's testimony before that committee on March 11, 1957, that Kasper attended mixed social gatherings while operating a bookstore in New York City's Greenwich Village. Hockett said he planned to continue his segregation activities and would organize a group to be called the Florida White Citizens Council.

Kasper also testified before this Florida Investigating Committee that it is "hopeless" to try segregating schools in Washington, D. C., "unless there is some radical reversal of policy." He said that as Executive Secretary of the Seaboard White Citizens Councils he "did try to create some interest" in reversing integration in the Washington schools; but he indicated the attempt did not get anywhere and he now considered it useless to try to reverse Washington's integration program.

No information has been received by this office during the period February 10, 1957, to March 13, 1957, regarding activity on the part of the Citizens Councils in Washington, D. C.

This memorandum is loaned to you by the Federal Bureau of Investigation and neither it nor its contents are to be distributed outside the agency to which loaned.

WHITE CITIZENS' COUNCILS OF THE

On July 12, 1957, [redacted]

leaflet reads as follows:

"SEABOARD WHITE CITIZENS COUNCILS  
3204 M Street, N. W.

"On June 1, 1957, the Circuit Court of Appeals  
for the 6th Circuit at Cincinnati, Ohio, decided the  
JOHN KASPER appeal and upheld his sentence of one year  
for violating a Federal Court order integrating the  
Clinton, Tenn. High School. Many constitutional questions  
were left undecided and others were brushed over, so the  
case was really given the 'treatment'.

"That Court is composed of seven Judges and  
their Judges are assigned to each case by the Chief Judge.  
The Chief Judge of the Court is Charles C. Simon. One of  
the Judges of that Court is from Memphis, Tennessee, and  
presumably would be the one most favorable to Kasper.  
However, shortly before the Kasper case was to be heard,  
that Judge was given a special assignment on the District  
Court in West Tennessee. Chief Judge Simons assigned  
himself and associate Judges McAllister and Miller to  
hear the case. Then the opinion in the case was written  
by Chief Judge Simons. So he signed himself to write the  
decision in this case.

"WHO IS CHIEF JUDGE SIMONS? 'WHO'S WHO IN  
AMERICA' lists him as being born in 1876. On November 29,  
1906, he married Lillian Bernstein. In 1916 he was  
appointed a U. S. District Judge by President Harding and

and in 1932 he was appointed to the 6th U. S. Circuit Court.

HE IS A MEMBER OF THE EXECUTIVE COMMITTEE ON THE AMERICAN JEWISH COMMITTEE.

"In view of the important constitutional points undecided and the 'treatment' otherwise given the case, it is our hope and earnest desire to appeal this case to the United States Supreme Court.

WE SOLICIT YOUR FINANCIAL SUPPORT TO THIS END.

"This will then place the Supreme Court in the position of correcting this erroneous decision or else place its stamp of approval upon it as it now stands. Since it releases Communists and subversives, we want to see what it will do with this segregationist, who many responsible people say is the first political prisoner in the United States.

(U) On July 24, 1957, T-1, who has furnished reliable information in the past, made available two written reports from T-2 and T-3, informants of T-1 of unknown reliability. These reports reflect that on July 15, '16, 1957, Floyd Fleming, Vice President of Seaboard White Citizens' Councils, in conversation with T-2, claimed that he was one of eight men who as an inner circle voted a year ago to send John Kasper to Tennessee for the very purpose he has accomplished. (C)

(U) Fleming advised that he personally has participated at rallies recently in Rhode Island and had just recently returned from Massachusetts where he has attempted to form nuclei to carry on this work in that region. On his trip back, Fleming stopped in Newark to confer with Conde McGinley, who publishes "Common Sense". Fleming also mentioned that he attended a rally in California last year initiated by Gerald L. K. Smith. (C)

(U) Fleming asserted that he was allotted two speaking engagements by Admiral John Crommelin who flew from Pensacola to attend rallies at the University of Virginia at Charlottesville, Virginia, and at George Mason High School in Virginia. (C)

(U) During this conversation with Fleming, T-2's report reflects Fleming attacked persons of Jewish origin as the "enemy within". Fleming also attacked Charles C. Simon, Chief Judge for the Circuit Court of Appeals, Sixth Circuit, Cincinnati, Ohio, who upheld the one-year sentence of Kasper for contempt of a Federal Court Order. Fleming, in attacking Simon, mentioned that he is a member of the American Jewish Committee. (C)

On July 18, 1957, T-2 and T-3 met with Fleming and [redacted] at Fleming's home, [redacted]. According to the report of T-2 and T-3, [redacted] was introduced as [redacted] of the Seaboard White Citizens' Councils. Fleming's wife also from time to time sat in on the discussion. According to T-2, Fleming delivered a tirade against Jews. T-2 asked Fleming if in the event Kasper is convicted, would it mean that all the councils would fold up. Fleming mentioned at this meeting that he and the Maryland Petition Committee are in constant touch. During the meeting, [redacted] attacked Mr. Brownell as the worst Attorney General this country has ever had. Also distributed by letter to T-2 and T-3 by Fleming are two other pieces of literature which do not bear any relation on their face to the Seaboard White Citizens' Councils. Copies of these two pieces of literature are not attached. A description of them is as follows:

INTEGRATION MEANS DEGENERATION

By: Floyd Fleming

In order to reach a sound conclusion on a given situation, it is necessary to have authentic facts on the situation. Therefore, to determine the consequences of intermingling white and colored students in the class rooms, let's take a look at some known facts. Since this article is written by a white man, my objections to intermingling are based upon the deficiencies of the colored race. In other words, when intermingling, mixing or integrating you first want to know the grade of the animal you are going to mix and then you can ascertain whether the offspring will likely be superior or inferior to the parents. If you say integration will not lead to inter-marriage, then this article will also deal with the question of whether a segregated or an integrated school is better.

A congressional committee recently issued a report based upon its investigation of the public schools in the District of Columbia. That report is entitled "Report of the subcommittee to investigate public school standards and conditions, and juvenile delinquency in the District of Columbia of the Committee on the District of Columbia, House of Representatives, 84th Congress, 2nd Session. (Your congressman will send you a copy upon request.)

That Report covers 47 printed pages, so no effort will be made in this article to discuss it in detail. The report, among many other things, in its "Findings and Conclusions" stated:

- (2) page 44. The forced integration of the schools in the District of Columbia greatly accelerated the exodus of white residents to the suburban areas of Virginia and Maryland.
- (4) page 45. The wide disparity in mental ability to learn and educational achievement between the white and negro students has created a most difficult teaching situation in the integrated schools.
- (6) page 45. Discipline problems and delinquency resulting from the integration of the schools have been appalling.
- (7) page 45. That sex problems in the predominately integrated schools (some D.C. Schools have not been integrated - more about that later) have become a matter of vital concern to the parents. One out of every four negro children born in the District of Columbia is illegitimate. The number of cases of venereal disease among negroes of school age has been found to be astounding and tragic. The negro has demonstrated a sex attitude from the primary to high school grades that has greatly alarmed white parents and is a contributing cause of the exodus of the white residents of the District of Columbia. The integrated schools have found it necessary to curtail greatly, and in many cases eliminate completely social activities formerly considered a vital element in the education of students in the segregated schools.

The aforesaid Committee was composed of 6 congressmen (Democrats and Republicans) and 4 recommended "that racially separate public schools be reestablished for the education of white and negro pupils in the District of Columbia, and that such schools be maintained on a completely separate and equal basis." The 2 congressmen who wrote a minority report stated that the reestablishment of segregated schools (page 48) "obviously cannot be done without a constitutional amendment." The 2 minority members did not find fault with this recommendation as far as its desirability is concerned, but simply said a constitutional amendment would be necessary to accomplish it. Since the 4 majority members did not mention the mechanics legally required to accomplish this result, it can be concluded that the report unanimously approved the desirability of reestablishing segregated school in the District of Columbia.

It should be remembered that the population of the District is approximately 50 percent white and 50 percent black, but there are more negro children of school age. This indicates the problems in the South where the white and negro ratios approach the 50-50 basis.

Some more facts and figures are interesting. The "Uniform Crime Reports for the United States" issued by the Federal Bureau of Investigation, Department of Justice, Vol. XXV No. 2, Annual Report for 1954, lists the following arrests records for the year 1954:

70% arrested for gambling were negroes  
67% arrested for murder were negroes  
63% arrested for dope violations were negroes  
63% arrested for aggravated assaults were negroes  
62% arrested for prostitution and vice were negroes  
--7-- arrested for possession of deadly weapons were negroes

43% arrested for all other assaults were negroes  
 41% arrested for liquor violations were negroes  
 40% arrested for rape were negroes  
 35% arrested for receiving stolen property were negroes  
 33% arrested for burglaries-breaking & entering were negroes  
 33% arrested for disorderly conduct were negroes  
 31% arrested for larceny were negroes  
 29% arrested for suspicion were negroes  
 28% arrested for offenses against children & family were negroes  
 22% arrested for all other sex offenses were negroes

Now, remember too that the 1950 U.S. Census showed negroes constituted less than 10% of our population.

This now gives you some insight into the people you and your children will inter-mingle with when schools are integrated. The schools, especially in the South, are the focal point for social activity. For instance when a senior class is about to graduate, different ones give parties and dances for the seniors, to mention one time when social activity is accentuated. Class parties are often given, PTA dances where the parents meet and mingle. Children enjoy class dances and parties and must attend official school parties and dances. If a negro boy sits in class room, eats in the cafeteria, and otherwise mingles with your daughter, will he not ask her for a date for the school party? If he is too shy to ask her for a date to take her, will he not ask her for a dance at the party? You say not right away but maybe later. Your answer is wrong; here in the District of Columbia these things occurred immediately after integration. If your daughter does not agree, then he likely will make snide remarks such as, "You think you are too good for me", etc. A question here - why is it that parents sit idly by and let their children be placed in this social environment and yet they would not think of inviting negroes in to have lunch or dance with them?

The point I am making is that in this environment of race mixing there will rapidly come the time (if the trend continues) when it will not be too obnoxious for white and black to marry. It is a known fact that where there is fraternization there follows intermarriage. The recent wars prove that.

Now to come back to why all of the District of Columbia public schools are not integrated. Let's take one, it being the most important because Vice President Nixon and Vice President candidate (recently) Kefauver send their children to that school. It is the Horace Mann public elementary school in "Spring Valley" in the District of Columbia. There are no negro students or teachers in that school. You say "That is because there are no negroes in that area" and that is correct. The reason is that when the subdivision was recorded there were covenants placed on the lots that they could not be sold to negroes or Jews. To protect that covenant against the Supreme Court ruling that such covenants are not enforceable, one other covenant was placed on the lots, namely, that if a person wanted to resell his house and lot, the purchaser must first be approved and the sale be cleared through W.C. & A.N. Miller Development Co., and the real estate company will not approve a negro or Jew.

In the last presidential campaign, did you see that publicized in the newspapers? Of course not, but if Coleman Andrews or any other prominent segregationist was in such a situation, it would be Headlined.

Now, there is another elementary school in the District of Columbia where the enrollment is about 700 white and 12 negro children. There are 32 teachers, 13 are negroes. There are many other schools having a much higher ratio of negro teachers than negro pupils. Why is it that no negro teachers were assigned to the "Horace Mann School? Even a congressional committee, the one making the Report mentioned herein, could not get any answers to that question. The reason no answer could be obtained was that it was covered up by the "high ups". Yet, Nixon and Kefauver pretend (for national political reasons) that they are so pure in their "bleeding hearts" for the "equality of the races". Nixon said in the campaign "my own children attend the integrated schools in the District of Columbia." was he truthful when he said that? Of course not. Both he and Kefauver are as phony on the race question as a \$3.00 bill.

The next move the NAACP will make after it can get breathing time from its fight to integrate schools, will be to challenge the validity of state statutes which preclude intermarriage between whites and blacks. They want intermarriage, make no mistake about that. That is what integration in the schools leads to and as that comes to pass, the white race becomes a mongrelized race and history records that the breeding is downward instead of upward.

One of the most important decisions to be made in our country today is the outcome of the defendants and John Kasper in Tennessee is to prove whether Amendments 1 and 6 of our Constitution are to be completely abolished.

Amendment 1:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; of abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Amendment 6:

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defence.

These people have been denied freedom of speech and John Kasper has been denied a jury trial on his first contempt charge - may it be John Kasper or John Jones, we must fight harder now than ever. We intend to expose the communistic conspirator, such as those that destroyed Joe McCarthy and other American patriots. We do not know what publicity your local papers are giving this trial in Knoxville, Tenn. but the District papers are giving it plenty. It is not only the 15 defendants and John Kasper that are on trial but its every white human being in these United States that is on trial. The outcome of the Clinton, Tennessee decision will be the future course of America.

We wish there were some way to state our case in stronger terms. We wish it were possible to make you better understand how dependent we are upon your response to this message. Wherever you live and whatever your circumstances, we want you to consider this plea carefully. You may be able to send a dollar or two. You may be able to spare even a few hundred dollars. Give this your careful thought and then respond to the very best of your ability. We need your help to keep this crusade going during these difficult and critical times.

On June 1, 1957 the Circuit Court of Appeals for the 6th Circuit at Cincinnati, Ohio decided the JOHN KASPER appeal and upheld his sentence of one year for violating a Federal Court order integrating the Clinton, Tenn. High School. Many constitutional questions were left undecided and others were brushed over, so the case was really given the "treatment".

That Court is composed of seven Judges and their Judges are assigned to each case by the Chief Judge. The Chief Judge of the Court is Charles C. Simon. One of the Judges of that Court is from Memphis, Tennessee and presumably would be the one most favorable to Kasper. However, shortly before the Kasper case was to be heard, that Judge was given a special assignment on the District Court in West Tennessee. Chief Judge Simons assigned himself and associate Judges McAllister and Miller to hear the case. Then the opinion in the case was written by Chief Judge Simons. So he signed himself to write the decision in this case.

WHO IS CHIEF JUDGE SIMONS? "WHO'S WHO IN AMERICA" lists him as being born in 1876. On November 29, 1906 he married Lillian Bernstein. In 1916 he was appointed a U. S. District Judge by President Harding and in 1932 he was appointed to the 6th U. S. Circuit Court.

HE IS A MEMBER OF THE EXECUTIVE COMMITTEE ON THE AMERICAN JEWISH COMMITTEE.

In view of the important constitutional points undecided and the "treatment" otherwise given the case, it is our hope and earnest desire to appeal this case to the United States Supreme Court.

WE SOLICIT YOUR FINANCIAL SUPPORT TO THIS END.

This will then place the Supreme Court in the position of correcting this erroneous decision or else place its stamp of approval upon it as it now stands. Since it releases Communists and subversives, we want to see what it will do with this segregationist, who many responsible people say is the first political prisoner in the United States.

Washington 7, D.C.

Send \$1.00 for truth-package and for more information or poems, send small donation.

Dedicated to the IMPERTURBABLE JOHN KASPER, THE MODERN PAUL REVERE, in his HEROIC RESISTANCE to those evil subversives who would capture, mongrelize, desecrate, and rape the beautiful White South.

Dedicated to the WHITE SOUTH where the sinister serpent head of international Communism spearheaded by Jewry's controlled N.A.A.C.P. would erase pure race distinction, mongrelize the whites and blacks, and make a mess of God's beautiful creation; the last bulwark of Christian resistance to the nefarious, notorious, mongrelizing, adulterating, international Jewish Red Communist machinations.

Dedicated to GERALD L. K. SMITH, THE HERO OF OUR GENERATION, A GENIUS OF THE 20th CENTURY PLATFORM, POLITICS, AND PATRIOTISM; Modern Crusader on the order of Paul Revere, and braver than ten lions robbed of their whelps, MOST DISTINGUISHED PATRIOT. Gerald L. K. Smith is more than a Crusader. HE IS A REFORMER, NOT UNLIKE MARTIN LUTHER, A PROPHET, THE VOICE OF GOD TO THE PRESENT AND FUTURE GENERATIONS.

Dedicated to Sen. Talmadge, Admiral John Crommelin, Jr., John Beatty, and Gerald Winrod, well known patriots.

If an army in its plunder  
Were making swift advance  
And captured you, my darling,  
Without a fighting chance.

If in their felon clutches  
You should thus chance to fall,  
Rape, pillage, were their relish  
You, their big ransom haul;

Though all the Jews COVERTLY  
Against you launch their strife,  
In Red and Black alliance,  
TO MONGRELIZE YOUR LIFE.

I'd fight back like a tiger,  
Upset their fiendish rage,  
Throw in a flank diversion,  
Your enemy engage.

Though JEWISH propaganda  
Still seeks to mix you well,  
With Blacks, and Browns or Yellows,  
Thus sink you into hell,

Though charms of television,  
Their radio, and press,  
Beside the Jew-owned movies,  
Your vigil turns to less.

I'd penetrate the veil,  
Their wall of Jewish lies,  
And liberate your thinking,  
From their fools' paradise.

If thus you were held captive,  
Your liberty ensnared,  
ENSLAVED TO INTEGRATION,  
And no one loved or cared,

If all the gates were bolted,  
Your prison fastened tight,  
And all the odds against me,  
I'd give them stealthy fight.

Formidable resistance  
Would find me unafraid,  
His garrison's thick armor  
Would prompt me to invade.

I'd find a hidden loop-hole,  
Defy his barricade,  
By cunning scheme adroitly,  
And make a midnight raid.

I'd give him sabre steel  
Effective battle blows.  
He'd stagger, rock, and reel  
As conquering prowess knows.

His armor sundered from him  
Would Khazar Jews expose,  
As serpent Asiatics (Read Matt. 23:33)  
Not Judah, as they pose! (John 8:44)

Their Asiatic background  
Belies their Israel claim  
For rogues and thieves and liars  
Usurped the white man's name!

Thus should the darkness wrap you  
In some reverse or loss,  
No block could e'er impede me,  
For I would come across.

No shadows' gloom would daunt me,  
No yielding of mine,  
Though foes be strong and crafty,  
I'd pierce their JEWISH LINE.

If in the course of action,  
Death wounds were dealt to me,  
I'd gladly die, my darling,  
To win your liberty.

My prayers would go before me  
To break the bars of brass;  
No power on earth could stop me,  
And it would come to pass.

Regardless of the hour  
At noon or midnight dark,  
I'd come to reinforce you,  
Your hope and strength to spark.

Yes, find a way to reach you,  
Break through the fort's impasse;  
Outmaneuver Jewish captors,  
To rescue thee, my lass.

### INTEGRATION AND MONGRELIZATION SPELL THE DEATH AND DOOM OF THE WHITE RACE AND END OF WHITE CHRISTIAN CIVILIZATION BECAUSE THE WHITE MAN IS THE PIPELINE OF CHRISTIANITY!

God's real chosen people are the white race as any fool can see. The real ISRAEL are not the Jews who are Communists, Khazars, Asiatics, Canaanites of mongrel blood and children of the devil (John 8:44) but the real ISRAEL are a multitude of nations fulfilled in the white race—Genesis 48:19. (Read Genesis, chapters 48 and 49). The white man is the earthly chosen seed or the race chosen by God to fulfill His word and purpose, channeling salvation to the world through Jesus Christ. Jew spies and spoilers stole "chosen race" title to ensnare the world!

White Man, Jesus says, "Call unto me (Jer. 33:3) because all power is given unto me in heaven and earth."—Matt. 28:18-20. WHITE MAN, WAKE UP! SPREAD THE TRUTH!

Jew-created Communism wants integration, mongrelization, and the destruction of the White man. Read John 7:1; 8:44; Acts 13:45, 50; Rev. 2:9; 3:9.

*Dedicated to the Great White Race*

No sky could match your eye;  
It's brilliance causes me to blink and sigh.  
I see a depth ne'er fathomed by the divers of the sea.

No rose could match your hair,  
Nor all the orchards of the world  
With their blossom-colors pink and red and fair.

No beam of light could match your charm;  
The wonders of creation stand aghast  
With envy; would fain with you walk arm in arm.

No mist could match your breath,  
The sweetest earthly warmth of comfort to my soul—  
Instills with vigor all my life to press on to the goal.

No power could match your hands,  
The symbol of a skill distinctively your own,  
To weave eternal meanings out of broken strands.

No art could match your face;  
A sculptor of the very best, with angel's tools  
Could ne'er repeat your form—  
Symbolic pride—our great WHITE RACE.

### • THE WHITE RACE.

The Jews are behind Communism, racial inter-mixture and mongrelization. The Jews scheme to destroy the white race through mongrelization because the white race is the pipeline of Christianity. Stop the Jews from destroying our beautiful America. Have you noticed the sly, clever, Jew-owned movie propaganda showing blacks and whites on the screen together? The same sly, foxy Jew-trick on the magazine covers, etc., in many ways and places. This is part of the slimy Jew technique to encourage racial mongrelization, and through it, the destruction of the white race! White man, wake up! White man, Jesus Christ says, "Call upon me in the day of trouble, and I will deliver thee and thou shalt glorify me." Psalms 50:15.

CHRISTIANS, READ JOHN 7:1; 8:44; 1 THESS. 2:13-15. The real ISRAEL IS THE WHITE RACE as any fool can see and must be a multitude of nations referred to in Genesis 48:19; Romans 11:25. (Read Gen. 48, 49, and Romans 11). This excludes the Jews who are Asiatics!

### JEWISH SCHEMING AND DIRTY WORK!

#### RABBI RABINOVICH, THE JEW, SAID

On January 12, 1952, in Budapest, Hungary, Rabbi Rabinovich addressed an important gathering of Jews from all over the world in which he prophesied the time was close at hand "when every Jew would be a king and every Gentile a slave."

As a part of the program to destroy the Gentiles, Rabinovich said that laws and regulations would bring about the forced inter-mixture of whites and blacks. His exact words were:

"We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interest of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must co-habit with members of the dark races, the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory."

#### Americans, Wake Up!

The Jews are behind Communism and seek to destroy whites because whites are the last bulwark of resistance to Red advance for world conquest and control. TELL EVERYBODY! WAKE UP! HOW MUCH DO YOU LOVE AMERICA? TELL TEN YANKEES TODAY, AND EVERY DAY!

#### WRITE YOUR CONGRESSMEN TODAY!

Protect us from Jewish snake-like maneuvers to destroy the white race. JEWS PROMOTE BLACK AND WHITE RACE MIXTURE!

Note the Jew propaganda out of morally bankrupt and filthy Jew-owned Hollywood movies and magazines. Jews promote inter-racial mixture, mongrelism, and the doom of the white man. Note how more and more negroes are being pushed upon us!

ReBulet to Atlanta October 9, 1957,  
instructing that this office as well as other offices  
institute a program to develop informants within  
Citizens Councils so this Bureau will be alert to  
any anticipated violence.

This office has the White Citizens Councils  
of the District of Columbia, aka. Seaboard White  
Citizens Councils within its territory. As far as  
presently known there are five very active members  
of this council consisting of FLOYD H. FLEMING, a painter  
at the Anacostia Naval Air Station; [redacted]  
an [redacted]

[redacted] a woman who has been on familiar terms  
with JOHN KASPER; [redacted] employed by the  
District of Columbia [redacted]  
and [redacted] a George Washington University  
student.

In connection with the coverage of this council  
this office has developed one PSI to date, [redacted]  
[redacted] who is very familiar with [redacted]  
[redacted] and he has furnished valuable information.

This office has also utilized the services  
of [redacted] informants, [redacted]  
[redacted] to very great advantage during JOHN KASPER'S  
recent visit to Washington, D. C., and his picketing  
of the White House. However, it is the intention of  
this office to develop additional sources in this  
council while at the same time accepting all information  
from these informants.

This office intends to review its panel sources and pick out those sources whom it is felt bear the best possibilities of development in the council. It is to be noted in this regard that FLEMING is very talkative and getting people in touch with him logically will be the biggest hurdle to overcome. Once there is a logical approach to FLEMING, that person stands in good shape to being accepted into the council.

As outlined in a previous letter, this office intends to contact the Security Officer of the Anacostia Naval Air Station to ascertain sources close to FLEMING.

# ANNE ARUNDEL CITIZENS' COUNCIL

ORGANIZATION COMMITTEE  
ANNAPOLIS, MARYLAND

ADDRESS MAIL TO:  
Organization Committee  
P. O. Box 121  
Annapolis, Maryland

CONFIDENTIAL

Fellow Citizen:

The time has come for the reasoning citizenry of Anne Arundel County to stand together in opposition to things disruptive to our harmony, tranquility and good order.

A group of your fellow citizens concerned about matters which threaten our area have been meeting together to find a solution to these problems. Each of us has seen and read about the violence, chaos and lawlessness which has come to many communities throughout the nation. Reason tells us these things are not caused by the hooligans who do them, but are due to the refusal of decent people to act.

Many good people believe it is only "the other person" who is hurt by what is happening--it is always "the other person" who sells his home at a loss, who is laid off because of a quota system, whose child is hauled far away to another school. The injured policeman is always "the other person's" husband, just as the crying, molested child belongs to someone else. Only at the last minute do we discover the "other person" is "ourselves." This committee believes the answer to our problem is to band together--ORGANIZE--to defend ourselves from these threats.

On Tuesday evening, September 22, 1964, there will be a meeting at the National Guard Armory (intersection of Old Annapolis Road and Dorsey Road) in Glen Burnie, Maryland, at 8:00 p.m.

At this meeting an Anne Arundel Citizens' Council will be organized as an affiliate of the Citizens' Councils of America.

By attending this meeting you and other citizens can become a part of this very necessary undertaking. Let us act here and now and together, to see that not one of us ever becomes that unfortunate "other person" we read about each day in the newspapers.

Kindly take a moment -- NOW -- to indicate on the bottom of this letter whether you are planning to attend our organization meeting. Detach your reply and mail it in the enclosed envelope. Please make every effort to attend -- and bring your family and friends! We are looking forward to seeing you on September 22nd.

JOSEPH MC DOWELL MITCHELL  
INFORMATION CONCERNING

On September 18, 1964, a source who has furnished reliable information in the past, made available a circular bearing the caption "Anne Arundel Citizens' Council - Organization Committee, Annapolis, Maryland." This circular contains in the upper left hand corner an emblem consisting of two crossed flags encircled by the wording "Citizens' Councils States Rights-Racial Integrity." The circular includes in part an announcement of a meeting at the National Guard Armory, Glen Burnie, Maryland, on the evening of September 22, 1964, and bears the signature of "Joseph McD. Mitchell, Field Director." A copy of this circular is enclosed.

In addition to furnishing the above circular, the source advised that Joseph M. Mitchell resides at 4609 Albemarle Street, N. W., Washington, D. C., and is active in organizing Citizens' Councils in Maryland. According to the source the most active council is the Anne Arundel Citizens' Council, Annapolis, Maryland, and that there are none organized in Washington, D. C.

It is to be noted that an article appeared on July 23, 1964, pages A1 (part) and A 20 (part) of "The Evening Star," a newspaper published daily at Washington, D. C., concerning Joseph McDowell Mitchell.

The above newspaper article stated that Mitchell was formerly the City Manager of Newburgh, New York. This article further stated in part that Mitchell "is now working Maryland and Virginia, as Field Director for the Segregationists Citizens' Councils of America. For the past four weeks, Mr. Mitchell has been traveling extensively in the two states in an attempt to form local councils and to reactivate dormant ones for the national organization headquarters in Jackson, Mississippi. The stated six point action program of the Citizens' Councils of America is to "prevent race mixing."
